

*Town of Highlands Community Power*  
*Village of Highland Falls Community Power*  
**ELECTRICITY SUPPLY PROGRAM IS**  
**COMING TO HIGHLANDS and HIGHLAND FALLS**

This community choice aggregation (CCA) program enables municipal leaders to leverage the purchasing power of residents and small businesses to negotiate more favorable terms on their electricity supply, protect consumers and choose renewable energy resources.

*If the Town and/or Village select an electricity supplier, eligible residents and businesses will receive a letter in early fall 2022 with info about the program, their choices and info about how to opt-out.*

If you have an electric utility account in one of these municipalities, we invite you to attend this upcoming public info session:

**Wednesday, July 13th 2022, 5:30 – 6:30 pm**  
**Highland Falls Community Library**

## **WITH COMMUNITY CHOICE**

*Together, we can access renewable electricity at a fixed, competitive rate and preserve our environment for future generations.*

*Have questions or want to learn more?*
