

Write About It

As part of a project to document the recent events in town, the Town of Highlands Historical Society is asking you to write something about how this flood affected you and how you have responded. This was a historic event shared by the whole community and we wish to collect the unique personal experiences- the reactions, emotions, stories- of as many citizens as possible whether you were home, out in a vehicle, a First Responder, a town leader. We invite everyone of all ages to record their experiences and submit them by email to the Town Historian at rcoffey@highlandfallsny.org It could be in any format:

Reflections

A letter

Poetry or Song

Bullet notes

A drawing or photo with a caption explaining it

A Short Paragraph or an Extended Essay

They will be saved as hard copies and digitally for study, research, and posterity in our archives. Please include your name, address, email address, and phone number when submitting.

Any questions? Call Town Historian Ronnie Coffey at 845-446-0400. Thank you.
