Highland Falls Senior Center
15 Drew Avenue, Highland Falls, NY 10928

The Village of Highland Falls was awarded \$4.5 million through the NY Forward program, to create a more walkable, sustainable, resilient, and economically robust downtown!

Join us to learn more about the NY Forward program and the Open Call for Projects process. Together, we will identify challenges and opportunities in Highland Falls' downtown and shape the community's goals and vision to help move Highland Falls forward.
